SAP C_ARSOR_2108 Exam Description:

The "SAP Certified Application Associate - SAP Ariba Sourcing" exam validates that the candidate possesses the fundamental and core knowledge required of the SAP Ariba Sourcing Associate Application Consultant profile. This certification proves that the candidate has an overall understanding and necessary technical skills to participate as a member of a project team in a mentored role. This certification exam is recommended as an entry level qualification to participate in SAP Ariba Sourcing design and implementation projects. Please note that this version of the exam takes part in the Stay Current with SAP Global Certification program. Once you pass this version of the exam, make sure that you start your stay current process with the subsequent quarter. You will be required to take the quarterly Stay Current Assessment for all subsequent SAP Ariba Sourcing releases via the SAP Learning Hub to maintain your SAP Ariba Sourcing business consultant certification status and badge. In order to participate in the Stay Current program and access the Stay Current enablement and assessment, you will need at minimum an SAP Learning Hub, edition for Procurement and Networks subscription.
